

MORNING APPEAL.

This powder never varies. A marvel of purity, strength and wholesomeness. More economical than the ordinary kinds, and cannot be sold in competition with the multitude of low test, short-weight, alum or phosphate powders. Sold only in cans. ROYAL BAKING POWDER CO., 106 Wall Street New York.

A Warning to Ladies.

Many a dime, to the spy bar-keeper
Often finds its jingling way.
Just because a shabby wrapper,
Awaits a man at close of day.
This terrible fact will no doubt,
Shock many a fair one; but there is
A class of ladies who are able to off-
stand this calamity. They buy
their wrapper goods at Olcovich
Bros. the leading merchants in this
city. Their line of new fancy
dress goods has captured the hearts
of the Carson ladies.
Do you wonder why?
New shoes arrive every week,
and Olcovich Bros. are selling shoes
at prices within the reach of all.

How Can Parents

allow their children to cough and
strain and cough and calmly say:
"Oh! it's only a little cold," and
keep giving them cheap and dan-
gerous medicines, until they are
down with lung fever or con-
sumption, when they can be so
easily relieved by BEGG'S' CHERRY
COUGH SYRUP? It has no
superior and few equals. W. H.
Chedic, Druggist.

K. C. Eldridge the agent for the
Singer Sewing Machine has also se-
cured the agency for several leading
pianos including the following
makes, McEwen, Antisell Newby
and Evans, and several others,
which he will sell on reasonable in-
stallments. For further particulars
or inspection apply at his agency
to the Ormsby House.

What on Earth

Is the reason people will not, can-
not, or do not see any difference in
cheap nos trums put up by Cheap
John houses or irresponsible parties
at enormous profits, rather than
take a medicine of world wide repu-
tation and one that is giving uni-
versal satisfaction at equal price?
No medicine in the world is giving
such unparalleled satisfaction for
purifying the blood as BEGG'S
BLOOD PURIFIER & BLOOD
MAKER, and every bottle that
does not do its work, will cost you
nothing. W. H. Chedic, Druggist

For Rent.

ser and Plaza streets, immediately
opposite the Capitol. Apply on
premises. Rent cheap.

Harris the barber in the Ormsby
House block now announces that he
will cut hair for 25cts. *tf

Wood is worth \$23 per cord in
Virginia City, and potatoes are
selling at 9 cents a pound. It may
result in a great deal of suffering if
the blockade is continued for any
length of time.

F. M. Hammond arrived in this
city last evening, having walked
from the scene of the wreck on the
V. & T. about two and a half miles
this side of Gold Hill. He put up
at the Arlington.

There are many persons now
in Carson who would give a great
deal more than the regular fare to
be in San Francisco, but they must
accept the inevitable and wait until
the roads are clear.

Mr. A. Livingston showed an
APPEAL reporter yesterday, a tele-
phone message received by him from
the Lake asking him to send whis-
key, cigars, and cards, if he had
to send by telephone, as the supply
there had given out, and it was still
snowing.

Last evening the following gen-
tlemen came down from Virginia in
a four-horse sleigh: Ed. F. Mur-
phy, W. H. Zwiler and Ed. Lew-
ison, of San Francisco; W. Green-
wood and R. G. Grimmore, of Vir-
ginia City, the latter acting in the
capacity of driver. The California
gentlemen were victims of the
wreck occasioned by the snow
blockades. They were 36 hours
without anything to eat, and finally
walked to Virginia to get some fod-
der. The sleigh will be driven
back today.

VIRGINIA ITEMS OF INTEREST.—A
Virginia dispatch states that the
roof of Piper's Opera House fell in
on Sunday afternoon and the whole
thing went to the ground floor leav-
ing the theatre a complete wreck.
There was six feet of snow on the
roof. Piper is clearing away the
debris and will rebuild at once.

John Cavanaugh the livery man
died Saturday.

Ex-Commissioner Nye, is very
low.

C. Street is piled with snow to
the awnings of the building.

The Italian ranchers are getting
potatoes in by the wagon load.

THE PRIEST AND THE DOCTOR.—You
ought to get Jim Raycraft to tell
you of that trip, when he drove Dr.
Lee and Father Walsh to Wellin-
ton. He says the sleigh tipped over
five times and both would go out
together. Sometimes the Doctor
on top and sometimes the Priest.

All the while the Priest was pray-
ing and the Doctor swearing.

The cursing and praying mingled
in one common stream and Jim
says he almost died laughing the
next day when he got to thinking
it over.

Cough! and Cough! and Cough!!

What in the world is the reason
you will cough and keep coughing
and still keep trying inferior medi-
cines when BEGG'S' CHERRY
COUGH SYRUP will positively re-
lieve your cough at once? This is
no advertising scheme, but an ac-
tual fact, and we guarantee it. W.
H. Chedic, Druggist.

Mr. W. H. Baldridge, druggist
Escondido, California, says: Cham-
berlain's Cough Remedy is the best
selling medicine I handle. In fact
I sell more of it than all other
cough medicines combined. Every-
one who has used it speaks in glow-
ing terms of its efficiency. For
sale by G. C. Thaxter.

While Will Wright is still with
Peterson, at the gallery over Thax-
ter's, special attention will be
paid to enlarging of portraits. Mr.
Peterson has done some very fine
work in this line, which can be
seen at the gallery. The public is
invited to call and inspect same. [2

MAYBE SO.

Some Things that May Have
Occurred.

In view of the fact that Carson
has had no telegraphic communica-
tion with the outside world for sev-
eral weeks, the APPEAL takes the
liberty of informing the public of a
few possible occurrences which may
be of interest to its readers, though
they are not chronicled as having
actually happened.

It may be that the Examiner and
Chronicle of San Francisco have
consolidated, and that a daily edi-
tion of twenty pages will be issued,
with forty on Sundays, and an
eighty page issue on Christmas,
New Years, etc.

Perhaps the U. S. have built a
cruiser making a successful trial
trip.

Perhaps Bill Nye has ceased to
think thoughts.

When the blockade is raised we
may find that Queen Victoria has
died of la grippe.

People may be surprised to learn
that Boss Buckley, the Blind Shep-
herd, has laid down his crook.

Perhaps Jackson has whipped
Sullivan, and—perhaps he hasn't.
Perhaps an earthquake has de-
stroyed Chicago.

Perhaps in consequence the
World's Fair Committee have set-
tled on Reno, (Pawing's Addition)
as their choice for a site for the
Fair.

Perhaps McGinty's body has
been recovered.

Perhaps Jim Towasend has signed
the pledge.

Maybe John L. Sullivan has de-
cided to run for President on the
Democratic ticket.

Perhaps Buffalo Bill and Mrs.
Frank Leslie, who have been pos-
ing as the champion rejectors of
marriage proposals, have joined
their forces.

It may be that Congress has
passed a free coinage bill.

Perhaps Langtry and Gebhardt
are married.

Perhaps there has been an addi-
tion to Grover Cleveland's house-
hold.

These are only a few of the pos-
sible probabilities which may have
taken place while we are cut off
from communication with the rest
of the country.

THE GOVERNMENT BUILDING.—We
have it from good authority, that
the plastering in the second story
of the Government Building has
been ruined by leakage, caused by
the freezing of the gutters on the
roof. It is probable that most of the
plaster on the ceilings will have to
be taken down.

Messrs. H. Lowden, Harry Pfaff,
Revenue Collector Reed, A. S.
Feder and M. Bromley are still
stranded in Carson on account of
the storm, notwithstanding the ef-
forts of Messrs. Dempsey and Dew
to take them to Reno.

LOST.—A white knit shawl. The
finder please leave the same at
Cagwin & Notewares store, j. 21 of.

Language is hardly strong enough
to express my admiration of the
merits of Chamberlain's Cough
Remedy. It is the best remedy for
croup and whooping cough I have
ever used. During the past eigh-
teen years I have tried nearly all
the prominent cough medicines on
the market but say, and with
pleasure too, that Chamberlain's
Cough Remedy is the best of all.
THOMAS RHODES, Bakersfield, Cali-
fornia, For sale by G. C. Thaxter.

ADVICE TO MOTHERS.—Mrs.
Winslow's Soothing Syrup
should always be used for children
teething. It soothes the child, soft-
ens the gums, allays the pain, cures
wind colic, and is the best remedy
for diarrhoea. Twenty five cents a
bottle.
